EXAMINER'S AMENDMENT

H 14/C
JL
3/25/03

1. An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment, which places this application in condition for allowance. During a telephone conversation conducted on 3/18/04, Jeffrey Ihnen requested an extension of time for 2 MONTH(S) and authorized the Director to charge Deposit Account No. 02-2135 the required fee of \$205 for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: Cancel claims 7-9, 37-39, 59-62, and 64-89.

2. The following is an examiner's statement of reasons for allowance: The overall claimed combination of a fibrous cellulose component intermixed with a particulate component comprising sander fines, and a binding agent that binds the fibrous and particulate components is neither anticipated nor rendered obvious by the prior art of record. The examiner interprets the sander fines to be a different component from the wood fiber fines.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

Art Unit: 3761

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
